Use proper email
etiquette and request
a meeting

Prepare for the
conversation

*Look into faculty
members' CVs,
publications, and other
information before
meeting with them*

No response? No
sweat! It's why you
have a list!

Seem like
a good fit?

Meet again!

Meet with faculty, **ask
questions**, and take
good notes

Meet to ask them to be
your HC thesis mentor!

No?

Not a good fit?

Yes?

That's great! **Let the HC know**

Ask for a referral and/or
meet with a new faculty
member from your list

*Follow up 1-2 weeks
after sending an email if
you don't receive a
response*
